Just a Short Time Now Until Gang Show Opens

Twenty-two great acts of the best, all-original, musical numbers—the all-Scout flavor—the comedy, color and costumes—the fast-moving fun—will bring every Scout and leader to the 1960 GANG SHOW.

Chicago's best show will run Thursday October 6 thru Sunday October 9 and again Thursday October 13 thru Sunday October 16, at the Morton Auditorium, 2400 S. Austin.

There is even more to the GANG SHOW than personal fun. It's a big chance for every Cub, Boy Scout, and Explorer to become a trained salesman, win prizes for himself and earn money for his Unit.

Using the exchange coupon plan, everyone can learn the art of salesmanship. Friends, neighbors, and relatives will appreciate the chance to see the GANG SHOW.

Selling Scouting

It is a great opportunity to let the general public learn more about our Scouting program. Both the sales approach and the GANG SHOW itself will tell our story.

Sales Plan

For every ten exchange coupons sold, a GANG SHOW emblem will be awarded. Also, the top District salesman will win special prizes such as a bicycle, two weeks at camp, a \$50.00 Savings Bond or a reservation fee for Philmont.

In addition, everyone can win MYSTERY PRIZES. Hundreds of certificates for valuable prizes have been placed in homes in every neighborhood. The first boy who calls at the home will get the Mystery Prize Certificate. Encourage Scouts to wear their uniforms, this will help them make more sales.

Cash Commission

Every Unit needs extra equipment and resource. In addition to all of the individual salesman prizes, the Unit can receive up to 25% of all monies turned in.

Complete information, sales training, and exchange coupons can be obtained from your District GANG SHOW Sales Managers listed below:

Fall Round Up Plan Will Provide Awards for Units And Scouting for More Boys

Will your Unit be a Round-Up Award Winner? Will you bring Scouting to more boys because you cared enough about them to invite them to join? We're sure you will. The lives of boys are the most important thing we can imagine.

Awards for All

Every boy now registered, if he recruits a new boy, and qualifies in the other respects previously published, can earn a permanent patch to be worn over his service stars above his left breast pocket. When 50% of the boys have earned this special award, the Unit receives its President Eisenhower Streamer.

Unit Leaders, Den Mothers and Committeemen can earn the special permanent patch Achievement Award through helping 50% or more of their boys earn theirs.

Unit Leaders may earn a special Round-Up recognition—a Scouter Uniform Belt as shown in the advertisement elsewhere in the COUNCILER—if they qualify as follows: at least five more boys registered in their Unit on December 31, 1960 than were registered on December 31st, 1959.

Special Honor Unit Award

This is a banner awarded to every Unit which, when they re-charter in 1960, have a gain in membership of at least one more boy than they had when they re-chartered in 1959.

Important Campaign Help Asked From All Units

Your help is needed in order for our plans for new and increased camp facilities to come true for Chicago Council boys. Many of you are helping already in different ways. This request is an important one. We are asking every Unit to cooperate. We are mentioning it here in the COUNCILER so that all Scouters can know about it and see that it is done in their Unit. The Unit Leader has already received this information and a request to do this job.

Each Unit is asked to send in as promptly as possible a complete list of the names and addresses of the parents of every member.

A Unit membership list, to be used as a starting point, has been sent to each Unit Leader. These are the things to be done with this list:

1. Check spelling and addresses of each member on the list.
2. Add names of boys who were registered since this membership roster was made.
3. Cross out names of boys not now in your unit.
4. MOST IMPORTANT! — Next to each Scout's name put his father's (or guardian's or mother's) first name and initial. Also list father's, guardian's or mother's address if different from the Scout's.
5. Mail or bring this roster—with additions, corrections and addresses — to Camp Capital Campaign Headquarters, Room 400, 9 W. Washington St., as soon as possible so the work on it can start right away and not be left to the last minute.

The purpose of this list—and the reason that it is so important—is to be sure that every parent is given a chance to make a gift to make the new camp facilities a reality. You will hear more about this later.

Please remind your unit leader to complete and send in this roster of parents' names and addresses. Maybe he can use your help. It is important that this be done. We are counting on you—and many boys are counting on you and will benefit.

Between Us— By HAL RUSH

This has been an outstanding Scouting summer. All of you have had a part in it in your Units and Districts. Many of you have served as Jamboree leaders, Philmont leaders, summer camp leaders at Kiwanis, Owasisippe, and other places. As a result, many boys have had lots of fun and adventure—and have learned more about citizenship and had a chance to practice the habits of good character.

Our contingent of 429 boys and leaders did themselves and the Chicago Council proud at the Jamboree. This was the biggest and best gathering of boys ever held anywhere. You probably read about it and saw it on TV and heard it on the radio.

Our Council summer camps were the best ever. It's too early for final figures as this is written, but Kiwanis has already gone way over any previous record of number of boys attending—and of program quality and good leadership, by all reports I have received. Visit Kiwanis if you possibly can. You will find it so greatly improved that it will be hard to realize so much could be done in such a short time.

Our Philmont trip was another high adventure. Canoe trips, week-end camps, Lone Troop long-term camps—and many other good things made it truly a remarkable and rewarding Scouting summer.

Now the Gang Show and the beginning of a lively fall and winter program is at hand. Working together, "doing our best," there is no limit to the amount of good work we can do to bring better Scouting to more boys than ever before. It's Round-Up time. Remember — boys are waiting eagerly to be "invited" to join your Unit. If nobody gives them a personal invitation, they will miss out.

Getting Ready for the 1960 Gang Show

It is a fine honor to make an outstanding record in giving service. That's what the Districts listed below have done. District Committees, District Commissioner Staffs, Unit Leaders, Den Mothers—all Scouters in the District can take a bow for this outstanding Honor Roll achievement.

Bill Veeck to Sponsor Fall Class of Eagles

William Veeck, president of the Chicago White Sox, will be sponsor of the fall Eagle Scout Court of Honor. The Court of Honor will be held Sunday, November 6 at 3:00 P.M. at Bogan High School, 79th and Pulaski.

The Rock Island Railroad will be patron of the Court of Honor.

Each applicant for this Court of Honor must appear before a board of review in his unit by September 30th. Deadline for District Eagle Interviews is October 7, 1960. Eagle applications must be filed with Council office Record Service prior to unit boards of review.

This important, semi-annual ceremony is in charge of the Chicago Council advancement committee, headed up by Leslie A. Brandt, chairman.

Pick Your Scout Now For Training as an Effective Speaker

Each Troop and Explorer Post will soon have a chance to pick out one of its members to be its representative in Operation Patrick Henry. Choose your best speaker and he will be coached by experts and civic leaders so he becomes a real orator, like Patrick Henry. This will be a fine experience for him, and it will provide your Unit with a boy speaker to tell about Scouting during February next year, with special emphasis on Boy Scout Week.

Judge Otto Kerner is Chairman

Again this year, Judge Otto Kerner will be Chairman of Operation Patrick Henry. Mr. Frank Soule will be Vice-Chairman. They will have working with them a committee and group of coaches picked from among the best speakers and most important citizens of the Chicago Council.

Details Available Soon

Each Unit will receive more details. Be ready with your choice of one member to represent your Unit, so you can send in his name to receive an invitation to take part in this thrilling and worth while special activity. Maybe he will be one of those selected to appear before one of the big civic organizations of Greater Chicago during Boy Scout Week.

... Since 1911 350,000 boys have qualified for Eagle Scout rank ... 33,500,000 persons have been affiliated with the Boy Scouts of America since 1910 ... A Chicagoan, William D. Boyce, started the Boy Scouts of America in 1910 as the result of a Good Turn rendered to him by an unknown British Boy Scout.

Staff Changes and New Staff Members

New career Scouters joining the Chicago Council Staff recently, include:

Robert "Bob" Best, formerly in the employ of the Allstate Insurance Co. at Amarillo, Texas—and prior to that a resident of Chicago—has been assigned as Asst. District Executive of the Greater Roseland District.

Hallett A. Hassinger, comes to us from American Airlines in Chicago. He will be assigned as a trainee Field Executive when he returns from the Executive's Training School at Schiff Scout Reservation in Mendham, New Jersey, where he is now in attendance.

Mahlon "Lon" Butz, has been assigned as Asst. District Executive of the Indian Boundary District. Lon just completed three years as District Executive in Appleton, Wisconsin where he made an outstanding record.

A change in staff assignment has been made for Glenn Curry who has been serving as a trainee in the Southwest District. On September 1st he was appointed District Executive of the South Shore District to replace Chuck Arnone who, for reasons of health, will be given a temporary part time assignment as Acting Asst. District Executive in the Thunderbird District.

Lee Stuffed has been promoted to Asst. Scout Executive of the Council with its headquarters at Hammond, Indiana. His many friends in the Chicago Council will be glad to know he's not very far away and will look forward to hearing news of him in his new assignment.

All Chicago Council Scouters extend the warm handshake of Scouting fellowship to these new men who are now part of our staff family, and wish to them, and to those who have had new assignments, Good Scouting and great success.

Our best wishes, also, to Carl Eckert on the occasion of his retirement from active service. Carl has been the long time Manager of the Trading Post at 9 West Washington and is well known to Chicago Scouts and Scouters to whom he has been helpful in many ways and on many occasions. His place will be ably filled by Peter A. "Pete" Rothenbach who has also become well known and affectionately admired during the years he served as Asst. Manager of the Trading Post. Pete has been an able and devoted Scouter in

the Chicago Council, as attested by the fact that he is one of the holders of the coveted Silver Beaver Award for Distinguished Service to Boyhood. Good luck, Carl, and welcome, Pete.
